

WORKER REQUEST FORM

Due April 10, 2018

In an effort to make the High School MACSA Track and Field Meet run smoothly I am going to be assigning work responsibilities ahead of time. Please look over the list below and indicate your top 3 choices for which area your school will work. Please put a 1 next to your first choice, a 2 next to your second choice and a 3 next to your third choice. I will do my best to assign you to one of the three you indicate. After I have made the work assignments I will notify you of your job. Please fill out and return by April 10, 2018 to Cherie Ramsey.

Each school MUST provide at least one adult worker to help with an event. The other workers needed can be high school students. Please realize that EVERY school attending is small and has difficulty finding volunteers. This is NOT a legitimate reason for not providing workers. If you want to attend this meet you MUST provide workers.
